

## Welcome to our practice!

We are excited and pleased that you have chosen us for your dental health care. Our friendly team, warm office and caring attitude will make you feel comfortable the moment you come in to our office. We offer caring, personalized, comprehensive care for the entire family under one roof. We appreciate your trust in us and look forward to working with you to keep your smile healthy and beautiful!

For your convenience, we have enclosed our New Patient Information forms for you to fill out prior to your appointment. **If you are transferring from another office, please send the Request for Release of Dental Records to your former dental provider as soon as possible.** You will also find the office brochures in your welcome packet, which contains general information on the pediatric dental, orthodontic and adult dental services we provide. The office brochures also includes a map of the surrounding area to help you find our office. **Please complete ALL of the enclosed forms and bring them with you to your first appointment.** If possible, please plan to arrive **10-15 minutes early** so that we have time to organize your paperwork and take you on a tour of our office! Please remember that while our office is not “in-network” with insurance providers, we will be more than happy to answer any insurance questions and submit your claims for you. Please visit our website at [www.ejldental.com](http://www.ejldental.com) for any additional information and feel free to contact our office at 301-881-6170 with any questions.

**We look forward to seeing you soon!**

Sincerely,

Drs. Ensor, Johnson & Lewis
